Boston Turned Tables on Detroit Friday Afternoon.

Leonard Held Tigers to 3 Hits and 2 Runs.

Boston, Mass., Sept. 18.—The tables were turned on the Tigers Friday, Boston defeating Detroit, 7 to 2. The Red Sox victory again gave the local team a lead of more than two games, making it impossible for Detroit to displace them in the present series. Leonard's pitching was the outstanding feature of the game. Ably supported he held the hard-hitting Tigers to one single in the first eight innings. With the tension somewhat lessened in the ninth, he hit Vitt and grooved a ball flying into the right field stands, an unusual hit at Fenway park, and the visitors' only runs were scored.

As in Thursday's game, the fine pitching on one side was not matched on the other. James Manager Jennings' first choice, proved a poor one, his six bases on balls giving Boston opportunities from which six runs were developed in the first three innings. Boland took his place and pitched a much tighter game. Although feeling between the teams ran high throughout the game, it was not so much in evidence as was the case Thursday. The score:

**WEEKLY AVERAGES**

Ty Cobb Adds Seven Points to Batting Average.

Detroit Almost Certain to Set Stolen Base Record.

Chicago, Ill., Sept. 18.—Ty Cobb has recovered his batting eye, according to averages today. He is making his daily hit or two and this work is of great help to the Tigers in the struggle to overhaul Boston in the American league pennant race. Although far from the 400 mark, which he established some weeks ago, Ty has added 7 points to his mark of last week. He still is in the lead with an average of .377. Speaker of Boston is the runner-up with .320 and Jackson, Chicago, next with .315.

Others following this trio are: E. Collins, Chicago, .315; Crawford and Veach, Detroit, tied with .313; McInnis, Philadelphia, .311; Fournier, Chicago, .310; Strunk, Philadelphia, .310; Howard, St. Louis, and Kavanaugh, Detroit, tied with .306. Cobb's chances to establish a new batting mark for the season are slim, but he is almost certain to establish one new mark this year. He is only three bases shy of tying the American league stolen base record of 81 made by Milan of Washington, in 1912. Cobb is leading the league with 85. He also leads in runs scored with 153 and number of hits made with 189.

Detroit also claims another headliner in Crawford, who leads in total bases with 252. He has made 31 doubles, 19 triples and 4 homers. Burns, another Tiger, who has been holding the lead in home runs has been tied by Oldring of Philadelphia. Each had five. Detroit leads in club batting with .268; Boston is second with .264 and Chicago with .259 is third.

The leading pitchers are: Foster, Boston, 18 won, 6 lost; Ruth, Boston, 16 and 6; Shore, Boston, 17 and 7; Leonard, Boston, 12 and 6; Daus, Detroit, 21 and 10; Coveleskie, Detroit, 22 and 11; and Boland, Detroit, 12 and 6.

Doyle of the New Yorks continues at the head of the National league batters. He is leading with 162 hits for an average of .319. Others are: E. Collins, Chicago, .315; Fournier, Chicago, .310; Strunk, Philadelphia, .310; Howard, St. Louis, and Kavanaugh, Detroit, tied with .306. Ty Cobb seems to be a very popular man in Boston. But Bostonians have such an odd way of expressing themselves.

Many fans believe the A. L. pennant will be won in the next day or so, but it is not so. The masterstroke that made the winner was delivered before this year's corn crop peeped out of the ground.

The Lincoln News suggests that the Western league might find it profitable to play a split schedule next season. This has been agitated in the past, but the club owners don't seem to see it.

The football season in Topeka will begin in earnest next Saturday when the lines are chalked off for the freshman-varsity game at Washburn.

One of Topeka's most enthusiastic baseball sports is as free of the taint of tin as the average turkey is of apoplexy. This sport expects to go to the world's series, and money is an item with him; but every night he winds up his prayer with, "and please don't let Detroit win."

Fred Clarke, manager of the Pittsburgh Pirates is coming to his Kansas farm after the close of the present season, and he expects to bid goodbye to the diamond for good. Hans Wagner is being mentioned as a possible successor to the old Pirate boss.

Brian Muirhead, who showed the innate ability of a football player on last year's freshman squad at Washburn, is back in school. It was reported some time ago that Muirhead would not return, but he says there was no ground for the report as he intended to come back all the time.

Some idea of the kind of team the Emporia Normal school is expecting to look for the one of the biggest championship tournaments that has ever been held in this section of the country.

At the close of the team match today between the president's and vice president's teams of the Country club a dinner will be given to the winners by the losing team. At this dinner final plans will be made for the big invitation tournament which will be held next Wednesday, Thursday, and Friday. It is expected that there will be more than 100 entries in the amateur tournament.

The Savage barnstormers finished their tour the middle of the week and went to their Southwest Missouri homes as soon as the last game was over. Tydemann departed for Camden, N. J., where he will hibernate. Monro bought his ticket to Elmira (Little Tammany) N. Y., and Hall went West as far as Arizona. Pitcher Carroll headed for Atwood, Ill., and Bill Fisher left Friday for Hartford, Conn. Ind. Grover went to Delphos to pitch.

Kansas Take to Auto Racing With Much Enthusiasm.

A Record Crowd Saw the Events Friday Afternoon.

That automobile racing is destined to become one of the most popular sports in Kansas was demonstrated Friday afternoon when the largest crowd that ever focused eyes on the fair grounds track watched the first gasoline speed program of the fair association.

A human egg shell encircled the outside of the track and in some places it was fifteen and twenty persons deep. Most of the inside fence was also occupied by wild-eyed spectators. The grandstand and bleachers were filled to overflowing and ambitious visitors who found it hard to get an uninterrupted view of the course climbed to the tops of the surrounding buildings and many boys watched the events from tree tops.

A tangible idea of the enthusiasm the spectators displayed in the event can be gathered from the fact that the unfortunate accident which injured ten of the spectators—some of them probably fatally—was given only passing notice and was treated as a trivial incident by the thousands who craned their necks and gasped in excitement as the events were resumed and the speed demons continued their flirtations with death as they took the curves on swinging skids and opened their throttles to speeds of seventy miles an hour and better on the straightaways.

She's a Real Sport.

However, the best side light on the reception of the initial speed sport was probably furnished by a sweet-looking, clear-eyed young girl who sat in the grandstand. Becomingly dressed in a neat brown frock and carrying a vanity box with the grace of an American queen she missed nothing that went on in the arena before her.

And her unsophisticated enthusiasm flowed like water in a mountain stream. This little girl had her eyes glued on Kilpatrick when he hit the curve on the fatal lap of his elimination race. Her face lit up as she saw his machine tear through the human wall; and she hid her face from the sight.

However, in the second event that same girl apparently forgot she had seen human beings mowed down like grass before a scythe and she clapped her hands in glee as her favorite car came under the wire first. "Wasn't that perfectly grand," she said to a stranger man who stood beside her, "Oh, I just knew he would win!"

Raymer Took Honors.

John Raymer, driving a Briscoe, carried off the bulk of the honors of the afternoon, winning two races by sensational finishes. However, Kilpatrick, in his Briscoe, in the elimination race, won the first prize in the first event in 1:11 flat. The previous track record, according to fair officials, was 1:12, which was equaled by "Wild Bill" Endicott in his Case Comet in the first event. Endicott also made one brilliant finish, coming under the wire first in the three mile race by barely a nose.

The results of the events were as follows:

Lowering the Topeka track record one second, Juddy Kilpatrick, driving a Briscoe, won the elimination race, event No. 1. His time was 1:11. The former Topeka dirt track record was 1:21. Wild Bill Endicott, driving a Case Comet, was second, time 1:12. Horey, the Canadian champion, finished third in a Fiat, time 1:13. Hoffman, in a Bullet, was fourth, time 1:13. Gunning, who came in fifth in a Scot, was eliminated. The race was for entries in the 25-mile sweepstake race today.

Event No. 2.—The three-mile race for cars of 30 cubic inches and under was won by Wild Bill Endicott, in his Case Comet, time 4 minutes and 8 seconds. Endicott made a sensational finish and came under the wire about a half length ahead of Gunning, who had led most of the way. Hoffman in a Bullet finished third, with Horey out at the end of the first lap owing to engine trouble.

Event No. 3.—Novelty race—Won by car No. 2, driven by Raymer. Kozla in car No. 22 was second.

Event No. 4.—Three mile consolation handicap—Kozla, driving a Briscoe, first; Horey, driving a Skat, second; Hoffman, driving a Bullet, third; time 3:57.

BIG NINE BEGINS PRACTICE.

University of Chicago and Northwestern Squads Have Reported.

Chicago, Ill., Sept. 18.—Football practice already has begun in the camps of the University of Chicago and Northwestern, although the practice season will not be officially opened, according to "Big Nine" rules, until Monday.

Thirty players responded to the call at Northwestern this week and were sent through a light workout by Austin Symonberg, captain of the eleven. Coach Fred Murphy will assume command of the squad on Monday.

Coach A. A. Stagg of the University of Chicago, plans to return from his vacation in Denver in time to take charge of the training work on Monday.
